Student Care: Important Information for staff

CCI Student Care is a student accident insurance policy established for schools, colleges and universities covering a range of (non-Medicare) medical services, including dental and physiotherapy.

This organisation is covered by CCI's Student Care policy. Any students who have an accident are covered under this policy.

Further information about the policy can be found on the CCI website, www.ccinsurance.org.au/studentcare

Following an incident, please refer students or parents directly to the dedicated SchoolCare Helpline: **1300 655 001**, or to the website where they can make a claim online.
